1. UBank USaver Account

1.1 Eligibility

You're eligible for a UBank USaver, if you:

- Are a personal customer (not a business or trust); and
- Are 18 years old or over; and
- Have an Australian residential and postal address; and
- Are an Australian resident for taxation purposes; and
- Have an email address and Australian mobile phone number (for joint accounts each applicant must have a different email address).

UBank USaver cannot be opened in a company or business name (including sole traders) or in a trust capacity (including DIY Superannuation).

You can open up to a maximum of 10 active UBank USaver accounts including joint accounts. UBank may vary this limit from time to time.

1.2 Minimum and maximum balances

There's no minimum balance. The maximum balance is \$5 million per UBank customer, this includes joint accounts. That means if you have 10 UBank USaver accounts their combined balance needs to be no more than \$5 million.

1.3 Bonus interest

We may offer one or more Savings Bonuses from time to time. Savings Bonuses are variable rates and apply on top of the UBank USaver base variable rate for eligible accounts where the qualifying criteria are met.

Where the qualifying criteria for a Savings Bonus includes depositing a minimum amount in any calendar month, that amount must be received by us for processing by the last business day of that month.

We'll give you notice of changes to your interest rate (including any Savings Bonus) no later than the day the change takes effect. We'll notify you by either:

- Writing to you (by post or email);
- Advertising in a major newspaper.

1.4 USaver Ultra Savings Bonus

You can earn the USaver Ultra Savings Bonus on your linked USaver account in any calendar month if you meet the qualifying criteria set out below:

- You must maintain a credit balance in your USaver Ultra throughout the entire previous calendar month;
- A minimum amount must be deposited into your USaver Ultra and/or your linked USaver from an external source during the previous calendar month. Please refer to ubank.com.au for current minimum amount required.
- The total Daily Closing Balance of all of your USaver and USaver Ultra accounts (including any USaver or USaver Ultra accounts held by you jointly with any other person) must not be more than \$200,000 at any point during the previous calendar month. If your USaver Ultra is held in joint names, only one of you need to meet this eligibility criteria. (Please note, if the total combined balance of your USaver and USaver Ultra accounts has exceeded \$200,000, only the USaver base

variable rate will be applied to the total balance of your USaver accounts.)

2. UBank USaver Reach Account

2.1 Eligibility

You're eligible for a UBank USaver Reach, if you:

- Are a personal customer (not a business or trust); and
- Are over 18 years old and under 30 years old; and
- Have an Australian residential and postal address; and
- Are an Australian resident for taxation purposes; and
- Have an email address and Australian mobile phone number (for joint accounts each applicant must have a different email).

UBank USaver Reach cannot be opened in a company or business name (including sole traders) or in a trust capacity (including DIY Superannuation).

You can only open one UBank USaver Reach account including joint accounts. UBank may vary this limit from time to time.

2.2 Minimum and maximum balances

There's no minimum balance. The maximum balance is \$5 million per customer, this includes joint accounts.

2.3 Bonus interest

We may offer one or more Savings Bonuses from time to time. Different rates apply to different levels (tiers) of the UBank USaver Reach account balance as shown at ubank.com.au. UBank may change the tiers and applicable interest rates from time to time.

3. UBank USaver SMSF Account

3.1 Eligibility

You're eligible for a UBank USaver SMSF, if you:

- a. Are a trustee of a self managed super fund that complies with the SIS legislation -
 - Where trustees are individuals, applications will only be accepted where there are two persons as trustees;
 - Where the trustee is a company, applications will only be accepted where there are two or less directors only; and
- b. Have an Australian residential and postal address; and
- c. Are an Australian resident for taxation purposes; and
- d. Have an email address and Australian mobile phone number (for joint accounts each applicant must have a different email address).

Other than a trustee of a self managed super fund that complies with the SIS legislation, you can't open a UBank USaver SMSF in a company or business name (including sole traders) or in a trust capacity.

We only accept applications where the account can be operated by either party independently. This is to enable full use of our online services. If you need to operate the account as 'both to sign', this account is not for you.

You can open up to a maximum of 10 active UBank USaver SMSF accounts. UBank may vary this limit from time to time.

3.2 Minimum and maximum balances

There's no minimum balance. The maximum balance is \$5 million per UBank customer, this includes joint accounts. That means if you have 10 UBank USaver accounts their combined balance needs to be no more than \$5 million.

3.3 Bonus Interest

We will offer you a Bonus Interest rate in months where you don't make any withdrawals from your UBank USaver SMSF. Withdrawals between your other UBank USaver SMSF and/or UBank SMSF Term Deposit accounts are excluded, so you'll still qualify to earn the bonus interest.

The Bonus Interest is a variable rate and applies on top of the UBank USaver SMSF base variable rate for eligible accounts.

We'll give you notice of changes to the interest rate or the Bonus Interest rate no later than the day the change takes effect, we'll notify you by either:

- Writing to you (by post or email);
- Advertising in a major newspaper.

4. Joint accounts

If you open an account with another person, that's called a joint account. An account can't be opened in more than two personal names.

If you have a joint account, you and your joint account-holder may operate the account independently of each other. But you're individually and jointly liable concerning the account for:

- Your share of any amount owing to us.
- The share of any amount owing to us by your joint account-holder.

We aren't liable for any loss or damage you or anyone else suffers due to us acting on an instruction in good faith, unless of course it's proved that we were negligent.

If one joint account-holder dies, we treat the balance of the account as belonging to the living account-holder. This is what's known as the right of survivorship.

If we're notified of a dispute between joint account-holders, we may place a block on your account. This means that you will be unable to transact on your account including (but not restricted to):

- Depositing funds to your account;
- Withdrawing funds from your account; and
- Requesting any other changes to the account e.g. changing your address.

We may require both of you to authorise any operation of the account and/or remove the block.

UBank may, at its discretion, make exceptions to these rules from time to time.

5. Third party access

UBank currently does not provide third party access to your account, for example via your accountant or solicitor.

6. Identification requirements

Before we can give you a UBank account, we need you to satisfy our minimum identification requirements as soon as you can.

These requirements are important because they ensure your account complies with the prescribed laws and regulations.

We give you several ways to satisfy these requirements – making it as convenient as possible.

It's at our discretion to accept or reject the identification of any customer based on our own criteria.

We may not be able to fully disclose these criteria for confidentiality or commercial reasons, but we'll tell you if your identification has been rejected or is outstanding.

The identification options we give you may change over time, and may differ from product to product. For the current options please visit ubank.com.au

6.1 What happens if you don't meet identification requirements? If you haven't met the identification requirements, certain limitations apply.

The most important one being that you won't be able to withdraw funds – including interest from your account – until you meet the identification requirements.

To provide extra protection of your money we may put in effect certain limitations on the operation of your account. We will, of course, tell you if your account is affected by any such limitations.

6.2 How to set up an account

You can apply for a UBank account online at ubank.com.au – using the secure online form.

The ways you're able to submit an application may change from time to time. Please refer to ubank.com.au

Please note that UBank reserves the right to accept or reject any application.

6.3 Information required at application

When you apply, we need you to tell us a bit about you. This includes, but isn't restricted to, the following:

- Your full name or names.
- An Australian residential address (not a PO Box address).
- Your date of birth.
- Your Driver's Licence number (if you have one).
- An Australian mobile phone number.
- A unique email address – for joint applications both applicants must provide a different email address.
- Passport number (if you have one).
- Your Tax File Number or TFN exemption code for tax purposes
- we are authorised under the income Tax Assessment Act 1936 to ask for your TFN when you open a savings or investment account. See more information about TFNs on page 13.
- A secret question and answer (so we can identify you).

7. Minimum and maximum balances

There may be minimum and maximum balance limits imposed on your UBank account. We may, at our discretion, make exceptions to these minimum and maximum limits. And from time to time we may also change the minimum and maximum balances.

For minimum and maximum balances on your UBank account, refer to Part 1 Accounts on page 6.

8. The interest rate

The interest rate applying to your UBank account is the rate that applies at the time we receive your application.

It's a variable rate and may change from time to time. UBank may also apply different rates to different levels of your account balance and these may change from time to time as well. For example, one

interest rate may apply to the first \$10,000 of your account balance, while different interest rates may apply to the remainder of your account balance. Your rate forms part of these terms and conditions.

UBank will give you notice of changes in the interest rate no later than the day the change takes effect, we'll notify you by either:

- Writing to you (by post or email);
- Advertising in a major newspaper.

8.1 How your interest rate is calculated

We'll calculate interest on the daily closing credit balance of your UBank account (as at the end of each day), up to and including the last day of the month. Interest is credited to your account on the last day of each month or at account closure. Interest is calculated as follows:

$$\frac{\text{Daily Closing Balance} \times \text{Interest Rate (\% p.a.)}}{365}$$

The interest rate will include any Savings Bonus for which you have met the qualifying criteria in the previous calendar month (pursuant to the terms and conditions applicable at the end of that calendar month), or in the current calendar month for SMSF accounts.

9. Account closure

If you ask us to close your account, we'll pay you interest up to but excluding the day of closure. And if the day you request it is a nonbusiness day, we'll process the closure on the next business day.

10. Fees and charges

There are no fees or charges payable on UBank USaver accounts. You may incur fees on your linked bank account when transferring money between it and your UBank account. To find out whether any such fees apply, talk to the financial institution where your linked bank account is held.

10.1 Government fees and charges

As at the effective date, there are no government charges associated with UBank accounts. But should the government introduce charges in the future, these charges will be debited from your UBank account.

11. Your Tax File Number (TFN)

UBank is authorised under the Income Tax Assessment Act 1936 to ask for your TFN when you open a savings or investment account. You don't have to provide your TFN and it's not an offence if you decide not to, but if you don't, UBank may be required to deduct 'Pay As You Go Withholding Tax' at the maximum marginal tax rate (plus Medicare Levy) from interest you earn on your account. If you provide your TFN, UBank will use it to report details of interest earned on your accounts to the Australian Taxation Office.

If you have a joint account, both account-holders are required to supply a valid TFN or TFN exemption code to avoid withholding tax.

Part 2

1. Linked bank account

You may be required to provide us with your "linked bank account" details, which will be used to debit and/or credit funds from/to your Australian financial institution. Your linked bank account must be a valid Australian bank account. Your linked bank account must be held by you in an Australian financial institution which can accept direct debits & credits.

2. Verifying your linked bank account

When you introduce a new linked bank account, or change an existing one, we need to verify that it belongs to you. We'll advise you at the time about what you need to do to verify your linked bank account.

3. Transfer limits

There may be minimum and maximum balance limits imposed on your UBank account. We may, at our discretion, make exceptions to these minimum and maximum limits. And from time to time we may also change the minimum and maximum balances.

Your deposit must be made in Australian dollars only.

4.1 Making deposits

UBank gives you lots of ways to deposit money into your account, including Electronic Funds Transfer (EFT), BPAY, salary credit, periodical payment from an Australian financial institution and direct debit.

We cannot accept any deposit to your account in a currency other than Australian dollars. If a deposit is made to your account in a foreign currency, or from an overseas account, you should remember that:

- The amount will need to be converted into Australian dollars before it reaches your UBank account. The bank doing the conversion (which may be us, or another bank) will generally use its own exchange rate/s prevailing at the time of conversion.
- Whilst we don't charge any fees for converting your deposit into Australian Dollars, other banks involved in or with the deposit might and this may reduce the amount we receive: we don't control this.
- If the deposit needs to be returned in whole or in part (for example, in the case of a mistaken or over payment), the amount being returned may need to be converted back into a foreign currency by us or another bank using the prevailing exchange rate/s at the time of conversion. This may mean that a different exchange rate is used in relation to the amount being returned, which may result in a shortfall to you or the sender.

UBank isn't liable for any loss you feel you may have incurred as a result of converting the deposit into Australian Dollars, or back into a foreign currency, as described above, even where UBank itself does the conversion.

4.2 Deposits we can't accept

We can't accept payments in cash, traveller's cheques or international drafts. For a complete list please visit ubank.com.au

4.3 BPAY

UBank, as a division of NAB, is a member of the BPAY Scheme. You can deposit funds into your UBank Savings account by transferring money by BPAY from any Australian bank account offering this facility.

UBank doesn't charge any transfer fees or impose any transfer limitation such as maximum payment amounts. However, the institution you are sending money from may charge a fee and may impose transfer limitations. Please check with your institution to ensure you choose the most convenient and economical way of transferring money to UBank.

Rules for funds transfer are governed by the various payment schemes and are out of the control of UBank and the institution you're sending money from.

Interest will not accrue until we receive the funds and it is deposited into your account.

Please note that we don't currently provide the ability to:

- Make an electronic payment using BPAY from UBank USaver accounts
- Access bills or statements electronically ("BPAY View") from participating billers.
- UBank may choose not to participate in the BPAY Scheme in the future.

4.4 Electronic Funds Transfer (EFT) conditions

You can deposit funds into your UBank account by transferring money by EFT from any Australian bank account that offers this facility.

UBank doesn't charge any transfer fees, but we may impose transfer limits such as maximum payment amounts. That said, the institution you are sending money from may charge a fee and may impose transfer limitations. Please check with them to ensure you choose the most convenient and economical way of transferring money to UBank.

Rules for funds transfer are governed by various payment schemes, and are usually out of the control of UBank and the institution you're sending money from.

Interest will not accrue until we receive the funds and it is credited into your account.

4.5 Direct deposit

You can request your banking institution or employer to directly credit funds into your UBank account e.g. salary credit or periodical payment. To do this you must provide UBank's BSB number and your account number and any other deposit information required to perform the transfer.

Interest will not accrue until we receive the funds and it is credited into your account.

4.6 Direct debit

You can no longer set up new direct debits (Automatic Savings Plans) to deposit funds into your account.

Where an existing direct debit (Automatic Savings Plan) is in place:

- Funds deposited into your account by way of direct debit can't be withdrawn until they're cleared, even though UBank will immediately credit your account with the proceeds. Clearance usually takes between 3 – 5 business days.
- In the event the direct debit is dishonoured, UBank may advise you. Your account balance will be reduced by the amount of the direct debit, and any interest paid and/or accrued will also be reduced.

4.7 Cancelling a direct debit authority

You can change or cancel a direct debit authority anytime by giving us at least 48 hours notice. If you ask us to change or cancel a direct debit authority on a weekend or designated public holiday, the change or cancellation will take effect on the next day. You can change or cancel a direct debit authority via UBank Online Service.

4.8 When will funds be deposited into your account?

Regardless of the method of deposit, generally if funds are received by 4pm on a business day they will be credited to your account that day. If they're received after 4pm on a business day or, received on a weekend or a designated public holiday, they'll generally be credited to your account on the next business day.

4.9 Making withdrawals

UBank offers a variety of methods for you to withdraw money from your UBank account, including Electronic Funds Transfer (EFT) through Pay Anyone or Periodic Payment.

4.10 Electronic Funds Transfer (EFT) conditions

You can withdraw funds (subject to "daily transfer limits") from your UBank account by transferring money by EFT to any Australian bank account. You can find out more information about daily transfer limits by visiting ubank.com.au.

4.11 Periodic payments (future dated payments)

You can arrange for regular deposits (subject to "daily transfer limits") to be made to any Australian bank account by setting up a

periodical payment instruction, via UBank Online.

If you set up a periodical payment instruction, UBank has the right to:

- Arrange the order of priority of periodical payments or any other payments or drawings from your account;
- Defer or not make a payment if UBank has reasonable justification e.g. your account has insufficient funds or if there is any interruption or delay in the banking system.

You must ensure you have sufficient cleared funds in the account to be debited on the banking day prior to the payment being due and on the due date.

If the periodical payment is due on a non business day, UBank will debit your account on that day.

4.12 Cancelling a periodic payment (future dated payments)

You can change or cancel a periodical payment any time by cancelling instructions within Online Banking at least one day prior to the next payment.

4.13 Restrictions

You may not be able to request to withdraw money by cheque, cash, direct debit authority or any method not specified above.

Some deposits we receive will be subject to clearance (such as BPAY and other electronic payment methods). We can't make any transfers or payments of these funds back to you until they've cleared.

We're not permitted by law to transfer money to you until you have met the minimum identification requirements. This includes interest payments, as well as any deposits you've made.

4.14 Overdrawing your account

You must not overdraw your account. If, for any reason, your account becomes overdrawn we may:

- Transfer money from any other account you may have with us or the NAB Group (including any other sole or joint account) to cover the overdraw;
- Debit money from your linked bank account if we have authority to do so.

Any losses you may incur as a result will not be covered by us. We will notify you if we transfer money from another account or debit money from your linked bank account.

4.15 When will funds be withdrawn from your account?

Withdrawals initiated by 4pm on a business day through "pay now" or withdrawals above the "daily transfer limit" will be processed on that day. If funds are withdrawn after 4pm on a business day, it will be processed the next business day.

Future dated transfers, regardless of what day it falls on (i.e. business or non-business day), will occur on that day and the available balance will be reduced.

4.16 Closing your account

UBank may close your account any time, for any reason. For instance, UBank may close your account if you do not adhere to the terms and conditions of the account.

In addition, if you have not operated your account for 7 years (for example, by making deposits or withdrawals), your account may be closed and the balance transferred to the Commonwealth Government as unclaimed money.

If UBank decides to close your account, we will notify you prior to the closure.

The amount you can transfer is subject to a daily limit set by UBank. You should refer to ubank.com.au for details of any restrictions.

If you use a UBank login email issued to you, your ability to make such a transfer can be removed if you notify UBank that you want that to happen.

UBank bears no responsibility for limits and restrictions on any transfer of funds imposed by other financial institutions and third parties.

1 Understanding your Security Code or identifier

When you want to make a payment to a third party account, or make a change to the information on your profile, we may send you a Security Code or identifier. We'll ask you to provide that Security Code or identifier in accordance with our security process. This is in addition to any password/PIN or other information we need you to give us when making requests.

If we're not able to accept an instruction using the Security Code or identifier, please call us. Provision of this Security Code or identifier does not alter your responsibility for the transaction.

2 Keeping your password/PIN safe and sound

At UBank, we take the security of your personal information seriously. That's why, when we issue you with a Security Code, password and/or PIN, you need to take all reasonable precautions to protect it. You must not:

- Voluntarily disclose the Security Code and/or password/PIN to anyone – including a family member or friend;
- Act with extreme carelessness in failing to protect its security; or
- Record it somewhere without making a reasonable attempt to protect its security.

UBank can't accept liability for any loss or damages caused by your disclosure of your Security Code/Password/PIN to anyone. This includes third party systems and online service providers.

Where UBank allows you to select a password and/or PIN, or change it, you must not select:

- A numeric code which represents your birth date; or
- An alphabetical code which is a recognisable part of your name.

Either of these selections could mean you're liable for losses caused by a breach of security of the password and/or PIN.

3 Giving us instructions

The following rules apply to instructions that you give UBank using the service:

- Any instruction you make to UBank using the service constitutes a valid and irrevocable authority to UBank to follow that instruction; and
- A payment instruction which is given before the cut-off time for a day will generally be processed on the same day, but if it's given after the cut-off time it might be processed on the next business day after the instruction is given; and
- In some circumstances, we don't need to act, or may delay acting, on any instruction given to UBank by you through use of the service. Examples of when this might occur include where UBank suspects fraud in relation to your account or where following your instructions would result in loss to you or to UBank; and
- We may process an instruction on the next business day after it's given; and
- The accuracy of information about an account you obtain through the relevant service is subject to checking by UBank as part of its normal procedures, and reflects the entries that have been posted to the relevant account at the time it's obtained.

We're not liable for any loss or damage caused directly or indirectly to you as a result of our failure to act or delay in acting on any instruction given to UBank by you, unless it's proved that we're negligent.

4 Understanding periodic or future dated payments

The following rules apply to periodic and future dated payments that you set up:

A periodic or future dated payment continues until the expiry date authorised by you, even if the service, or any Security Code used by you to authenticate that instruction, has been cancelled. You can cancel your periodic or future dated payment instruction at any time, up until the day before the payment is due.

You're also responsible for all instructions given in relation to your account(s) which are authorised by your use of the password/PIN, or Security Code, or undertaken by another person with your knowledge or consent.

You must notify us immediately if:

- Your password/PIN becomes known to any other person or is compromised;
- The computer which you use to access and use the service is lost, stolen or fraudulently accessed; and/or
- You become aware of any unauthorised transaction or error on any account using the service.

If for any reason the service is unavailable, it's your responsibility to use other means of effecting transactions and giving and obtaining information.

5 ePayments Code warranty

UBank warrants that it will comply with the requirements of the ePayments Code for all personal EFT transactions conducted via UBank Online and UBank Telephone Services.

Mistaken internet payments using Funds Transfer – To Another Account

This clause applies to mistaken internet payments using the Funds Transfer – To Another Account functionality available within internet banking. It sets out important rules where the Sending ADI and the Receiving ADI have subscribed to the ePayments Code and:

- You report a mistaken internet payment to UBank as the Sending ADI; or
- UBank as the Receiving ADI is notified by a Sending ADI that funds have been credited to your account as the result of a mistaken internet payment by its customer.
(Note: UBank is a division of NAB which is an ADI.)

It does not apply to BPAY payments and only applies to personal EFT transactions.

In this clause mistaken internet payment means a payment made by you through Funds Transfer – To Another Account where funds are paid into the account of an unintended recipient because you entered or selected the wrong BSB number and/or account number as the result of your error or you being advised of the wrong BSB number and/or account number. ADI means Authorised Deposit-taking institution and has the same meaning as the term in the Banking Act 1959(Cth). The Receiving ADI is the ADI whose customer received an internet banking payment and the Sending ADI is the ADI whose customer has made an internet payment.

1 Your obligation

You:

- Must take care to enter or select the correct information about the intended recipient of the funds, required when using Funds Transfer – To Another Account to make a payment. It is not always possible for UBank to recover funds from the unintended recipient.
- Should report a mistaken internet payment to UBank as soon as possible by:
 - Calling 13 30 80; or
 - Login our website ubank.com.au and creating a secure message (Electronic Transaction Dispute).

UBank will acknowledge receipt of the report and you should record or retain this acknowledgment.

2 Our obligations as a Sending ADI when we receive your report.

2.1 Obligation to investigate

UBank will investigate your report of a mistaken internet payment.

Obligation to tell you about the outcome

UBank will tell you about the outcome of your report of a mistaken internet payment:

- In writing, and
- Within 30 business days of the day the report was made.

2.3 Process where UBank and the Receiving ADI are not satisfied a mistaken internet payment has occurred.

When you make a report both UBank and the Receiving ADI need to be satisfied a mistaken internet payment has occurred.

If UBank is not satisfied a mistaken internet payment has occurred UBank is not required to take any further action and will tell you in accordance with our obligation to inform you about the outcome.

If the Receiving ADI receives a request from UBank to return funds to UBank, but is not satisfied that a mistaken internet payment has occurred, the Receiving ADI may seek their customer’s consent to return the funds to you. If consent is provided to the Receiving ADI, UBank will return these funds to you as soon as practicable.

2.4 Process where UBank and the Receiving ADI are satisfied a mistaken internet and there are insufficient funds.

This process applies where both UBank and the Receiving ADI are satisfied a mistaken internet payment has occurred.

If UBank is satisfied that a mistaken internet payment has occurred, UBank will send the Receiving ADI a request for return of the funds. UBank is reliant on the Receiving ADI advising UBank if there are sufficient funds in their customer’s account to cover the amount of the mistaken internet payment.

If UBank is advised there are insufficient funds in the customer’s account, UBank is reliant on the Receiving ADI using its reasonable endeavours to recover the funds for you from their customer (e.g. facilitating payment by instalments).

If the Receiving ADI is unable to recover the funds from the unintended recipient you will be liable for losses arising from the mistaken internet payment.

2.5 Process here UBank and the Receiving ADI are satisfied a mistaken internet payment has occurred and there are sufficient funds.

This table describes the obligation of Receiving ADI and UBank if they are satisfied a mistaken internet payment has occurred and there are sufficient credit funds available in the account of the unintended recipient to cover the payment.

A different process applies depending on when you reported the mistaken internet payment to UBank.

You report the mistaken internet payment to UBank	Obligation of Receiving ADI after receiving UBank’s request to return funds	UBank’s obligation to pay you
Within 10 business days of making the payment.	Funds must be returned to UBank within 5 business days (if practicable) of receiving UBank’s request to return the funds or such longer period as is necessary up to a maximum of 10 business days.	To return the funds to you as soon as practicable.

Between 10 business days and 7 months of making the payment.	Complete investigation within 10 business days of receiving UBank's request to return the funds. If satisfied a mistaken internet payment has occurred: <ul style="list-style-type: none"> - Prevent their customer withdrawing the mistaken internet payment funds for a further 10 business days; - Notify their customer they have a period of 10 business days to establish they are entitled to the funds. (This period commences on the date their customer was prevented from withdrawing the funds); and - Return funds to UBank within 2 business days of the end of the 10 day period described immediately above if their customer has not established they are entitled to the funds. 	To return the funds to you as soon as practicable.
After 7 months	Seek the consent of their customer to return funds. With the consent of their customer return the funds to UBank.	To return the funds to you as soon as practicable.

2.6 Complaints

For information about making a complaint about the outcome of a mistaken internet payment report or how we have dealt with it, please see Part 9. Concerns, complaints and feedback of this booklet.

2.7 Our obligations if we are notified about a mistaken internet payment by another ADI

If UBank is notified by a Sending ADI that funds have been credited to your account as the result of a mistaken internet payment by its customer UBank will act in accordance with the obligations of the Receiving ADI described in Part4A.2 including the obligations to return funds in your account to the Sending ADI where applicable.

This section explains your liability for unauthorised personal EFT transactions. It overrides any other clause to the extent of any conflict or inconsistency for all personal EFT transactions.

1 Times you're not liable:

You're not liable for losses:

- Caused by the fraudulent or negligent conduct of employees or agents or companies involved in networking arrangements or of merchants or of their agents or employees;
- Arising because the UBank login email, Security Code and/or password/PIN is forged, faulty, expired, or cancelled;
- That arise from transactions which required the use of the Security Code and/or password/PIN and that occurred before you received the Security Code and/or password/PIN;
- That are caused by a transaction being incorrectly debited more than once to the same account;
- Resulting from unauthorised transactions occurring after notification to UBank that the security of the Security Code and/or password/PIN has been breached; and/or
- Resulting from unauthorised transactions where it's clear that you did not contribute to the losses.

2 Times you're liable

You'll be liable for losses resulting from unauthorised transactions where UBank can prove on the balance of probability that you contributed to losses:

- Through fraud or contravention of the security requirements; and
- From unauthorised transactions because you unreasonably delayed notifying UBank after becoming aware that the security of the Security Code and/or password/PIN had been breached.

Where you delay unreasonably, you'll then be liable for the actual losses which occur between the time you became aware and when UBank was actually notified except for:

- The portion of losses that exceeds the applicable daily transaction limit(s) (if any) on any one day;
- The portion of losses incurred in a period which exceeds any other periodic transaction limit(s) applicable to that period;
- The portion of losses incurred on any account which exceeds the balance of that account;
- All losses incurred on any accounts which the account-holder and UBank had not agreed could be accessed using the Security Code and/or password/PIN.

3 Times when you have limited liability

If it's not clear whether you have contributed to the loss as the result of an unauthorised transaction that required a Security Code and/or password/PIN, then your liability is limited to the lesser of:

- \$150;
- The balance of those account(s) from which value was transferred in the unauthorised transactions; or
- The actual loss at the time UBank is notified that the security of your Security Code and/or password/PIN has been breached.

4 Times we're liable

We'll be responsible for losses that you may incur, that are caused by failure of our equipment or system to complete a personal EFT transaction, after being accepted in accordance with your instructions.

However, where you should've been aware that our equipment or system was unavailable for use or malfunctioning, our responsibilities will be limited to:

- Correcting errors in the account-holder's account and refunding any charges or fees imposed as a result.

5 Times we're not liable

We'll not be liable for any losses caused by the failure of our equipment or system where our equipment or system had not accepted the personal EFT transaction.

6 Letting us know about any breaches

If you believe the security of your Security Code and/or password/PIN has been breached, you must advise UBank as soon as possible.

Once we've been notified, your liability for further personal EFT transactions using that Security Code and/or password/PIN will be limited.

Where telephone facilities for notification are not available during particular periods, any losses occurring during these periods that were due to non-notification are deemed to be the liability of UBank, providing notification is made to UBank within a reasonable time of the facility again becoming available UBank will acknowledge your report, and you should record or retain this acknowledgment.

This includes being able to better understand your preferences and interests, personalise your experience, enhance the products and services you receive, and to tell you about products and services that may be of interest to you. Who do we share your personal information with?

To make sure we can meet your specific needs and for the purposes described in 'How we use your personal information', we sometimes need to share your personal information with others. We may share your information with other organisations for any purposes for which we use your information.

Sharing with the NAB Group

We may share your personal information with other NAB Group members. This could depend on the product or service you have applied for and the NAB Group member you are dealing with but will not differ from those purposes outlined above. **Where appropriate we integrate the information we hold across the NAB Group to provide us with a complete understanding of your product holdings and your needs.** For example, where you hold a NAB Internet Banking ID and NAB Group superannuation product, some of the information we hold about you may also be exchanged for specific purposes such as allowing you to see your account summary information (e.g. balance) through NAB Internet Banking.

Sharing with MLC Limited

NAB acts for MLC Limited ABN 90 000 000 402 (described as MLC Life Insurance) in distributing their life insurance products. MLC Limited is no longer part of the NAB Group of companies. We may exchange personal information with MLC Limited or their service providers in order to administer and manage your life insurance products that are issued by them. We may also need to share information so as to ensure:

- your insurance premium is calculated correctly (balance information may be required to be shared so your insurance can be calculated) and where authorised, make payments on your behalf to MLC Limited;
- insurance claims and benefits are paid;
- insurance products are viewable to service customer contact (this includes showing your insurance products in NAB Internet Banking if you have a NAB Internet Banking ID);
- NAB and MLC Limited can both tell you about our respective marketing and products offers (including ensuring customers who hold MLC Limited products are excluded from NAB Group campaigns marketing MLC Limited products);
- a smooth customer experience when you contact us, including:
 - we can transfer you to the right service centre;
 - where appropriate, NAB and MLC Limited can cooperate in order to handle your complaint;
 - being able to provide assistance should you wish to speak about your MLC Limited products held (e.g. where possible, we may assist by updating contact details on request).

Some of the information exchanged will be stored and visible within NAB Group customer databases; with some of these databases being accessible to MLC Limited for a transition period. All information stored

in these databases is subject to this privacy policy as well as NAB Group's security procedures and controls.

Sharing with Credit Reporting bodies

We may disclose information about you to a credit reporting body if you are applying for credit or you have obtained credit from us or if you guarantee or are considering guaranteeing the obligations of another person to us or you are a director of a company that is loan applicant or borrower or guarantor. When we give your information to a credit reporting body, it may be included in reports that the credit reporting body gives other organisations (such as other lenders) to help them assess your credit worthiness.

Some of that information may reflect adversely on your credit worthiness, for example, if you fail to make payments or if you commit a serious credit infringement (like obtaining credit by fraud). That sort of information may affect your ability to get credit from other lenders.

Sharing with third parties

We may disclose your personal information to third parties outside of the Group, including:

- those involved in providing, managing or administering your product or service;
- authorised representatives of the NAB Group who sell products or services on our behalf;
- credit reporting bodies or other approved third parties who are authorised to assess the validity of identification information;
- insurance, investment, superannuation and managed funds organisations, and their advisers and service provider;
- medical professionals, medical facilities or health authorities who verify any health information you may provide;
- real estate agents, valuers and insurers (including lenders' mortgage insurers and title insurers) , re-insurers, claim assessors and investigators;
- brokers or referrers who refer your application or business to us;
- other financial institutions, such as banks, as well as guarantors and prospective guarantors of your facility;
- organisations involved in debt collecting, including purchasers of debt;
- fraud reporting agencies (including organisations that assist with fraud investigations and organisations established to identify, investigate and/or prevent any fraud, suspected fraud, crime, suspected crime, or misconduct of a serious nature);
- organisations involved in surveying or registering a security property or which otherwise have an interest in such property;
- organisations we sponsor and loyalty program partners, including organisations the NAB Group has an arrangement with to jointly offer products or has an alliance with to share information for marketing purposes;
- companies we arrange or distribute products for, such as insurance products;
- rating agencies to the extent necessary to allow the rating agency to rate particular investments;
- any party involved in securitising your facility, including the Reserve Bank of Australia (sometimes this information is de-identified), re-insurers and underwriters, loan servicers, trust managers, trustees and security trustees;
- service providers that maintain, review and develop our business systems, procedures and technology infrastructure, including testing or upgrading our computer systems;
- payments systems organisations including merchants, payment organisations and organisations that produce cards, cheque books or statements for us;

- our joint venture partners that conduct business with us;
- organisations involved in a corporate re-organisation or transfer of NAB Group assets or business;
- organisations that assist with our product planning, analytics, research and development;
- mailing houses and telemarketing agencies and media organisations who assist us to communicate with you, including media or social networking sites;
- other organisations involved in our normal business practices, including our agents and contractors, as well as our accountants, auditors or lawyers and other external advisers (e.g. consultants and any independent customer advocates);
- government or regulatory bodies (including the Australian Securities and Investment Commission and the Australian Tax Office) as required or authorised by law (in some instances these bodies may share it with relevant foreign authorities); and
- where you've given your consent or at your request, including to your representatives, or advisors.

Sharing outside of Australia

We run our business in Australia and overseas. We may need to share some of your information (including credit information) with organisations outside Australia. Sometimes, we may need to ask you before this happens. You can view a list of the countries in which those overseas organisations are located at www.nab.com.au/privacy/overseas-countries-list/

We may store your information in cloud or other types of networked or electronic systems. As electronic or networked systems can be accessed from various countries via an internet connection, it's not always practicable to know in which country your information may be held. If your information is stored in this way, disclosures may occur in countries other than those listed.

Overseas organisations may be required to disclose information we share with them under a foreign law. In those instances, we will not be responsible for that disclosure.

We will not share any of your credit information with a credit reporting body, unless it has a business operation in Australia. We are not likely to share credit eligibility information (that is, credit information we obtain about you from a credit reporting body or that we derive from that information) with organisations unless they have business operations in Australia. However in the event NAB seeks assistance from a related company to manage defaulting loans, we may need as a consequence disclose credit eligibility information to the Bank of New Zealand, located in New Zealand. We are likely to share other credit information about you with organisations outside Australia. A list of countries in which those overseas organisations are located is set out above.

How do you access your personal information?

How you can generally access your information

We'll always give you access to your personal information unless there are certain legal reasons why we can't. You can ask us to access your personal information that we hold by filling out the Personal Information Access form (see www.nab.com.au/privacy/access-form/). In some cases we may be able to deal with your request over the phone. See 'Contact Us' if you would like a copy of the form to be sent out to you.

We will give you access to your information in the form you want it where it's reasonable and practical (such as a copy of a phone call you may have had with us – we can put it on a disk for you). We may charge you a small fee to cover our costs when giving you access,

but we'll always check with you first. You can find the schedule of fees explained on the Access form.

If we can't give you access, we will tell you why in writing. If you have concerns, you can complain. See 'Contact Us'.

How to access your credit eligibility information

Where you request access to credit information about you that we've got from credit reporting bodies (or based on that information), we will:

- provide you access to the information within 30 days (unless unusual circumstances apply);

and

- ask you to check with credit reporting bodies what information they hold about you.

This is to ensure it is accurate and up-to-date.

If we can't give you access, we will tell you why in writing. If you have concerns, you can complain to our external dispute resolution scheme, the Australian Financial Complaints Authority (AFCA) or the Office of the Australian Information Commissioner.

How do you correct your personal information?

Contact us if you think there is something wrong with the information we hold about you.

If you are worried that we have given incorrect information to others, you can ask us to tell them about the correction. We'll try and help where we can - if we can't, then we'll let you know in writing.

Correcting your credit information

Whether we made the mistake or someone else made it, we are required to help you correct the information within 30 days. If we can't make a correction in that timeframe, we will ask you for extra time. We also might need to talk to others in order to process your request. The most efficient way for you to make a correction request is to ask the organisation which made the mistake.

Whether we're able to correct the information or not, we'll let you know within five business days of deciding to do this. If we can't we will provide reasons. We'll also let the relevant third parties know as well as any others you tell us about. If there are any instances where we can't do this, then we'll let you know in writing. If you have any concerns, you can access AFCA or make a complaint to the Office of the Australian Information Commissioner.

How do you make a complaint?

If you have a complaint about how we handle your personal information, we want to hear from you. You are always welcome to contact us. We are committed to resolving your complaint and doing the right thing by our customers. Most complaints are resolved quickly, and you should hear from us within five business days (see 'Contact Us').

What about complaints relating to credit information?

We will let you know how we will deal with your complaint within seven days.

If we can't fix things within 30 days, we'll let you know why and how long we think it will take. We will also ask you for an extension of time to fix the matter. If you have any concerns, you may complain to AFCA or the Office of the Australian Information Commissioner.

If your complaint relates to how we handled your access and correction requests you may take your complaint directly to the Australian Financial Complaints Authority or the Office of the Australian Information Commissioner. You are not required to let us try to fix it first.

Contact credit reporting bodies if you think you have been the victim of a fraud

If you believe that you have been or are likely to be the victim of fraud (including identity fraud), you can request a credit reporting body not to use or disclose the information they hold about you. If you do this, the credit reporting body mustn't use or disclose the information during an initial 21 day period without your consent (unless the use or disclosure is required by law). This is known as a ban period.

If, after the initial 21 day ban period, the credit reporting body believes on reasonable grounds that you continue to be or are likely to be the victim of fraud, the credit reporting body must extend the ban period as they think reasonable in the circumstances. The credit reporting body must give you a written notice of the extension.

Contact credit reporting bodies if you don't want your information used by them for direct marketing/pre-screening purposes

Credit reporting bodies can use the personal information about you that they collect for a pre-screening assessment at the request of a credit provider unless you ask them not to. A pre-screening assessment is an assessment of individuals to see if they satisfy particular eligibility requirements of a credit provider to receive direct marketing. You have the right to contact a credit reporting body to say that you don't want your information used in pre-screening assessments. If you do this, the credit reporting body must not use your information for that purpose.

We may without prior notice combine or set off the whole or any part of your UBank account towards satisfaction of any outstanding debt that you may have with UBank or NAB – for example a debit balance in another bank account held with NAB. This includes accounts held by you in a different capacity or joint accounts. If we need to do this, we'll notify you promptly after doing so.

This includes the combining of any of your accounts, and applies whether or not the account is subject to notice, or whether the account has matured or the amount is due.

Part 8

Changes to these terms and conditions

We may change the terms and conditions for any UBank account.

We'll give you at least 30 calendar days notice of:

- Changes that increase your liability for losses relating to EFT transactions.
- Changes to the method for calculation of interest.

Where changes are immaterial or not adverse to your interests, we reserve the right to not give advance notice of such changes. But we'll always give notice within the time limits permitted by applicable legislation or industry codes.

Part 9

Concerns, complaints and feedback

Something gone wrong? Had a technical problem? Or have a complaint? Then let's get to the bottom of it right away – and fix it. Contact us and tell us what's wrong.

Alternatively, write to our Customer Resolutions Advisor, at the following address:

UBank
Customer Connect Team
Customer Resolutions Advisor
PO Box 1466
North Sydney NSW 2059

We'll do everything we can to solve the problem as quickly and effectively as possible. And to make sure we fully understand the situation, we'll ask you for all the details of what's gone wrong, and may even ask you to put it in writing as well.

Please note that before AFCA can investigate your complaint, they do require you to have first provided us the opportunity to address the complaint.

1. How we fix things

If ever something goes wrong, or you have a complaint, let us know. And we'll try to sort it out right then and there to everyone's satisfaction. But if we're unable to do this, we'll let you know the next steps so an investigation can take place.

We'll contact you and/or advise you in writing of our procedures for investigating and resolving your concerns. And within 14 calendar days of receiving the relevant details of your complaint, we'll either:

- Complete our investigation, and let you know the outcome in writing; or
- Write to you and let you know we need more time to complete the investigation.

Unless there are exceptional circumstances, such as matters under Credit Reporting rules, the investigation should be wrapped up within 14 days of us receiving the relevant details of the issue. But if it takes any longer, we'll:

- Tell you why there's been a delay.
- Give you regular updates on the progress of your complaint.
- Let you know when a decision can reasonably be expected (unless we're waiting for a response from you, and you're aware that we're waiting).

2. Once we've gotten to the bottom of it

We'll be in touch immediately. We'll let you know the outcome of the investigation, and give you the reasons for it. Where it might help, we'll also point you to the relevant provisions of the ePayments Code.

If your account has been incorrectly debited or credited, we'll (where appropriate) adjust the account right away (including adjustments for interest and charges or both), and let you know we've done it. We'll also advise you in writing of exactly what's taken place.

In cases where you're liable for at least part of an amount in question, we'll (in nearly all cases) make the relevant evidence available to you and let you know whether there was any system malfunction at the time of the transaction.

3. What happens if you're still not satisfied?

We'll always do our best to bring complaints to a satisfactory and clear resolution. If you subsequently feel that an issue has not been resolved to your satisfaction, you may be able to raise your concerns with AFCA if you're an individual or small business owner.
